

# The HSI STEM Resource Hub

The NSF National Resource Hub for STEM Education at Hispanic-Serving Institutions advances the capacity of HSIs and their professionals to compete for agency awards through grantsmanship training, networking, dissemination, and fostering collaborations across and within institutions.

## GAIN SKILLS FOR GRANT-WRITING:

- Grantsmanship workshops (offered in various regions of the U.S., including Puerto Rico and online)
- Grantsmanship webinars
- Training panels include current and former NSF HSI Awardees
- GANAS Mini-Grant Competition

## BUILD YOUR NETWORK:

- Access the member directory
- Find collaborators across the country
- Exclusive member events and training materials

## OUR NETWORK ENGAGES:

- 2- and 4- year HSIs
- Public and Private Institutions
- Community Colleges and Universities
- Over 480 faculty and administrators at HSIs in over 20 States in the U.S.
