WORKSHOP CONTENT OVERVIEW

Session 1: Introduction to the HSI Initiative – “Mock” Grant Review - Expert Panel: HSI Initiative Awardees

Session 2: Elements of a Grant Proposal – Crafting the Project Concept Paper – Expert Panel: Knowledge Generation in STEM Education Proposals

The NSF HSI National STEM Resource Hub is tasked with providing grantsmanship training for Hispanic-serving institutions especially those with little or no prior NSF grant support.. March and April 2020 Jumpstart workshops canceled due to the coronavirus pandemic have been reconfigured for online delivery to 50 confirmed participants. Supported by NSF Awards 1832338 and 1832345. Any opinions, findings, conclusions or recommendations presented do not necessarily reflect the views of the National Science Foundation, NMSU, CSUN, or DACC. Contact: serrano@nmsu.edu
