ISSUE ONE: SUMMER 2019

JUMPSTART GRANTSMANSHIP 2019 WORKSHOP OUTCOMES

Participant Quotes

*"The workshop was VERY empowering. I had no clue and now feel confident that I will not only apply, but **REAPPLY."***

*"At this point, I feel that **I have enough information** and need to put boots on the ground and pen to paper. I need to amass my evaluators and advisory board, as well as, **develop the research plan**."*

63 People attended

96% Agree/Strongly agree that they plan to use what they learned in this workshop to develop future proposals.

92% Agree/Strongly agree that they are confident they can develop a proposal to submit to NSF call 19-540.

86% Agree/Strongly agree that they will use what they learned in this workshop in other aspects of their professional practice.
