LOOKING FORWARD!

The **Jumpstart Preflight Webinar Certification Program** consists of 5 trainings intended to help faculty to begin discovering their capacity engage in grant writing and research. The webinar series, additional resources, and certification assessments are currently in production with an expected launch date of **September 1, 2020.**

The **Building Capacity for Grant Writing and Research Survey** provides a framework for institutional self-assessment to begin identifying institutional opportunities and gaps for supporting faculty to engage in research and grant-writing. The instrument is currently in production with an expected launch date of **November 1, 2020.**
